The quarterly meeting of the City of Reading Electricians Examining Board was convened in the Planning/Zoning Conference Room, City Hall, on Monday, June 3, 2013, as mandated by the City of Reading Ordinance #98-2006/78-2009, at 4:30 PM.

The Board also opposes any attempt to "water down" the City of Reading Electrical Code requirements to perform the duties of the electrical inspector, specifically that the Electrical Inspector must be a Master Electrician for at least 10 years.

A motion was made by R. Helms, second by A. Waldman to discontinue the practice of issuing a reciprocal license from the State of Delaware, as they do not meet the equal standard requirement of the City of Reading Electrical Code. Motion Passed

Respectfully,
